Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Tuesday 18 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing this evening, rain by dawn.

This Evening and Tonight:
Showers gradually easing during the evening, with many parts dry for a time with light winds. Cloud thickening from the west after midnight, with further outbreaks of rain spreading east. Minimum temperature 5 deg C (41 deg F).

Wednesday:
Early cloud and outbreaks of rain easing away southeast. Sunny spells and further showers then developing through the day. These perhaps heavy and thundery, before easing during the evening. Maximum temperature 16 deg C (61 deg F).

Outlook for Thursday to Saturday:
Dry, bright start Thursday, before turning windy with rain later. Staying wet and windy Friday with coastal gales possible. Winds easing Saturday, with some sunshine expected, but also heavy showers.
